

9001 – Heavy Duty 20 Bar Rubber Compressed Air & Water Hose

This is a heavy duty 20 bar rated hose, excellent in compressed air and water delivery. The tube is made from a smooth black SBR / NBR rubber and reinforced with high tensile textile cords.

The tubing is protected by a black SBR rubber cover, with excellent oil mist, abrasion and ozone resistance.

Technical Specifications

Tube	Smooth black SBR / NBR rubber, silicone free
Cover	Black SBR rubber. Blue lettering. Oil mist, abrasion & ozone resistant
Reinforcement	High tensile textile cords
Temperature Range	-30°C to +80°C
Safety Factor	3 x Working pressure
Application	Compressed air and water delivery hose

Product Table
