

PRO SERIES RETRACTABLE HOSE REELS

With the unique Helix Ultra-Coil hose layering system, combined with a precision machined solid brass central spindle, the Jamec Pem Pro Series Hose Reels are ideally suited for the trade or industrial workshop.

- High impact tough and durable polypropylene construction
- Fully enclosed weather resistant and UV stabilised outer case protects the hose and inner drum assembly against dirt and other contaminants
- Heavy duty mounting bracket with fixed in-line or optional 180° swivel mount is suitable for wall or overhead mounting
- Convenient carry handle located on the top panel for removing and refitting the hose reel from the mounting bracket
- Adjustable hose stopper
- Includes wall mounting bracket
- Brass fittings
