

8542 – Multipurpose 20 Bar Compressed Air, Water & Oil Hose

This is a multipurpose air, water and oil hose with a smooth black static conducting NBR synthetic elastomer rubber tube with a coloured SBR/NBR rubber. The hose is reinforced with high tensile textile cords and embedded with an anti-static copper wire. This hose is suitable for the delivery of compressed air, water and oil.

Not suitable for unleaded petrol.

Technical Specifications

Tube	Smooth black static conducting NBR synthetic elastomer rubber
Cover	Coloured SBR/BR rubber (black only 63, 76 & 102mm)
Reinforcement	High tensile textile cords with anti-static copper wire
Temperature Range	-30°C up to +90°C
Safety Factor	3 x Working pressure
Application	Delivery of compressed air, water and oil.

Product Table
